"Empowerment Beyond Abuse"

Dear Marinette County Community Member:

Rainbow House Domestic Abuse Services, Inc. in collaboration with Marinette County Health and Human Services announces the start of a Domestic Violence Education Series. The series is developed to address the growing concerns in our community related to domestic violence and the impact that domestic violence has had on individuals, families, and the community.

The Domestic Violence Education Series has been developed to address family violence and how people can find empowerment through knowledge. Some of the topics include The Cycle of Violence, Co-Dependency, Self-Esteem, Resilience, and Reflecting on Personal Growth.

This series will begin on **November 07, 2016** from 6:00 PM to 7:00 PM and will run for the next five consecutive weeks for a total of six weeks (except when closed for a holiday). All sessions will be held in the conference room at Marinette County Human Services, 2500 Hall Ave, Marinette, WI 54143. No one under 18 years of age will be allowed without parents or legal guardian.

Participants of the series should be referred by their case worker. Reservations must be made prior to the series by calling the Rainbow House at (800) 956-6656. Space will be limited and available on first come basis. There will be **no cost** to the participants.
