

ADDENDUM #2 - RFP#16-013-30

UB/LIFT/TAILGATE SPREADER/SINGLE WING/DUMP WITH INSTALLATION

Question #1:

Are you reusing the AVL/GPS module from another truck or are you going new? And does an antenna need to be provided? Do I provide a plow sensor?

Answer:

The AVL/GPS System will be taken off be taken off of the RFQ with this with this addendum. The State is rebidding this and said to omit it on all new trucks.
