

# Marinette County RFP#16-032-34

## Niagara Senior Center Flooring Replacement

### Addendum #1

---

#### Section VI. BACKGROUND & SCOPE OF SERVICES

##### BACKGROUND

The Niagara Senior Center, 569 Washington Avenue, Niagara, WI 54141, was constructed in the early-1970s. Marinette County is requesting bids for the following flooring replacements:

- Flooring Area A – Main Gathering Area and Entrance Vestibule
  - LVT flooring
- Flooring Area B – Kitchen and Kitchen Supply Area
  - Ceramic flooring
- Flooring Option #1 – Men and Women Restroom
  - Ceramic flooring

##### SCOPE

Niagara Senior Center Floor Tile Replacement:

- Includes all materials and labor to replace tile in all tiled areas and new installation in the kitchen area. Vendor to verify square footage of each room.
- Existing floor tile and mastic has asbestos.
  - Removal and disposal to be included in bid.
  - Removal to be performed by all local, state and federal regulations.
  - Disposal to be made at licensed landfill facility.
- Flooring to be following:
  - Armstrong Parallel 20 mil commercial LVT – J6214 (Blizzard)
    - 6" x 36" tiles
    - Following areas – Flooring Area A
      - Main entrance (Room 115)
      - Main assembly area (Room 101)
    - 4" vinyl base to be supplied (color to be determined)
  - Daltile Heathland ceramic flooring – HL01 (White Rock)
    - 12" x 12" tiles
    - Following areas – Flooring Area B
      - Kitchen (Room 102)
      - Kitchen storage/cooler area (Not shown on original drawing)
        - North of Kitchen
        - Area approximately 12' x 12' (to be verified by bidders)

- Grout color to be determined
- Include cut tile base
- Seal tile/grout
- Option #1 for restroom flooring
  - Same specification as for the Kitchen
  - Womens' and Mens' restrooms (Rooms 105 & 106)
  - Work may be delayed or canceled depending upon if restroom remodeling is completed.
