

Marinette County 2017 User Fees

User fees are an important revenue source to Marinette County. The users assist the taxpayers in paying for the delivery of goods and services. Both residents and non-residents of Marinette County pay user fees. The County continues to provide significant tax subsidies to provide services. Replacing general fund subsidies with user fees help defray the growing costs of operation in the most equitable and realistic manner possible. User fees avoid subsidization where the service is not being provided to the general public but for the specific benefit of the person charged. They provide rationing the provision of certain services and monitoring the demand for services.

The 2017 User Fee Schedule includes information that provides justification for fees charged. This justification includes fee amount, fee determination and the collection method.

MARINETTE COUNTY OVER/UNDER PAYMENT POLICY

The Marinette County Board of Supervisors adopted a Marinette County Over/Under Payment Policy on December 17, 2002.

The policy reads as follows:

Unless otherwise authorized by law, county agencies, but also including the Office of District Attorney may retain overpayment of licenses, fees and any other charges when the overpayment is five-dollars (\$5) or less, unless such refund is specifically requested in writing to the department where the fee is originally collected within 60 days of the date of original payment.

Underpayment of not more than five dollars (\$5) may be waived at the discretion of the department head. The intent of this policy is to preclude any individual or organization from exceeding a five-dollar aggregate annually.

MARINETTE COUNTY STOP-PAYMENT FEE POLICY

The Marinette County Board of Supervisors adopted a Marinette County Stop-Payment Fee Policy on October 26, 2010.

The policy reads as follows:

In the event an accounts payable check has to be voided due to county error and the check amount is over the bank stop-payment charge, a stop-payment order will be issued. The county will absorb the stop-payment fee. If the check is less than the bank charge, the county will not issue a stop-payment order.

In the event an accounts payable check has to be voided due to vendor/provider error and is over the bank charge, a stop-payment order will be issued. The stop-payment fee will then be deducted from the reissuance. The bank charge reimbursement will be credited to the Treasurer's miscellaneous revenue. If a stop-payment order is not needed because the check was returned, no fee will be deducted.

MARINETTE COUNTY COPY POLICY

Marinette County has established a copy policy. The copy fee shall be twenty-five cents (\$.25) per page for black and white and one dollar (\$1.00) per page for color. A black and white copy page is defined as a one or two sided sheet, any size that may be reproduced from a standard copier. A color copy page is defined as one single sided sheet, any size, that may be reproduced from a standard copier. These copy fees apply to all requests.

Copy fees excluded from this policy are fees set by statute and fees for copies produced by the Land Information Department's large copier.

The fee for copies faxed shall be \$1.25 for the first page and fifty cents (\$.50) for each additional page.

The media and County Board Supervisors are excluded from paying fees when requests are for copies to be used in the performance of official duties.

Under Wisconsin sales tax law, the gross receipts from charges imposed by the County for a search and copy of a public record are exempt from sales tax.

MARINETTE COUNTY NON-SUFFICIENT FUND CHECK POLICY

Effective February 24, 2004, Marinette County established a non-sufficient fund check policy for all county departments. A fee of twenty dollars (\$20.00) will be added to the amount due to each account where a NSF check was presented for payment.
