

Questions and answers for Beecher Lake Dredge RFP

08/04/15

#1 - Is there an engineer's estimated cost or budget is available for this project?

There is no engineer's cost estimate. The Project budget (taken from the AIS Control Project Grant Application) has been posted as an addendum.

#2 - Who is responsible for laying out and clearing the access/staging area?

The access/staging area contains several small trees and some brush. The Beecher Lake District will flag the access/staging area and clear all of the trees and brush.
