## Scenic Location

Groups that rent the camp must provide their own staff and programs. Determinations regarding the usage of Camp Bird shall be made by the Parks and Forestry Committee of the Marinette County Board.

This beautiful camp is located on scenic Sand Lake (20 acres in size). Sandy swimming beach, docks, canoes, rowboats, stream and lake fishing, 10 acres of mowed lawn, huge red pines, oak trees, hiking trails, adventure course, nature center building, recreation building. Camp Bird is the property of Marinette County and is located on County Forest Land.

## Available For Rent

Camp Bird is available for rentals from the first week of April through the end of November. The camp is currently being used by youth groups, schools, social service agencies, and religious organizations.

We would also like to extend an invitation, and to encourage, other groups such as scouts, universities, environmental, educational, and other organizations to contact us to request information on how to use the facilities at Camp Bird. In addition, Camp Bird may now also be used by adult groups such as family reunions/weddings or corporate groups.

Also, if you need more information on rentals during other times of the year please contact the Forestry & Parks Department.
