# Peshtigo Harbor Wildlife Area Trails

This trail is part of the Peshtigo Harbor Wildlife Area Trails Project. A partnership between Marinette County Land & Water Conservation, the Department of Natural Resources, and UW-Extension and a grant from the Wisconsin Coastal Management Program made this project possible.

The Peshtigo River Trail, completed in September 2004, is an 11-mile self-guided canoe trail on the Lower Peshtigo River. Hemlock Curve Nature Trail was completed in July 2005. The Woods Road Ski Trail, a cross-country ski trail with wildlife learning stations was completed in January 2006.
