## **About US**

The ADAPT Clinic is a state licensed community mental health and substance abuse counseling center providing outpatient services to the residents of Marinette County. We offer two convenient locations.

### **Agency Mission**

The mission of the Marinette County Health and Human Services Department is to lead the state of Wisconsin in fostering healthy, self-reliant individuals and families and improve the quality of life for all Marinette County citizens.

### **ADAPT Philosophy**

ADAPT is a trauma-sensitive clinic. Treatment interventions are based in an individualized, strengths-centered approach. Our goal is to assist clients in achieving life satisfaction through facing life challenges and enhancing their resiliency. We offer a compassionate atmosphere of hope, trust, and safety. We provide understanding and insight while utilizing skilled therapeutic interventions. Our methods maximize client empowerment, personal choice, and self-reliance to assist individuals with achieving their identified goals. We strive to provide excellence in behavioral health care.
