3. AGENDA

Motion (Sauve/Noffke) to approve the agenda. Motion carried. No negative votes.

4. MINUTES

Motion (Barnes/Miller) to approve the minutes of the October 31st 2013 meeting as distributed via email. Motion carried. No negative votes.

5. FEMA Project for LIDAR (Light Detection and Ranging Acquisition) County-wide for fall 2014

Committee Chairperson, John Lefebvre, explained the LIDAR project headed by FEMA will be done Countywide to aid in the creation of updated Flood Plain Maps. Once the LIDAR data is collected and processed the County will then have topographical maps countywide at 2' intervals. Information from the flight will be available in 2015 with new flood plain maps available in 2016/2017. At this time there is no anticipated cost to the County, however, in time there may be a minimal cost to convert the LIDAR coverage to Marinette County Coordinates .

6. 2015 WISCONSIN REGIONAL ORTHOPHOTOGRAPHY CONSORTIUM (WROC) PROJECT

Committee Chairperson, John Lefebvre, told the Committee that this initiative is supported by the Regional Planning Commissions and the State Cartographer Office and it's a project anticipated to be mainly funded by the Counties. The flight was last done in 2010. The 2015 flight will be a spring leaf off flight. Participating in this would keep Marinette County on track with the County's Land Records Modernization Plan. Cost is estimated at between \$90,000.00 and \$100,000.00.

7. WISCONSIN LAND INFORMATION PROGRAM (WLIP) 2015 BASE BUDGET GRANT PROJECT

Land Information Director, John Lefebvre, stated the 2015 Orthophotography Project would be the #1 request on the list. The project completion date and the scope of the project meet the criteria necessary to receive the grant money.

Motion (Miller/Noffke) to recommend to the Land Information Committee that the County submit the WLIP 2015 Base Budget Grant application for the 2015 Wisconsin Regional Orthophotography (WROC) Project. Motion carried. No negative votes.
