8. Drug Court and TAD grant update, discussion only – Robin Elsner, Jim Morrison

Robin reported that Marinette County will receive a TAD Drug Court Grant, amount unknown at this time. Out of the 13 recipients, ten will need to be readjusted by budget. Once the readjustment is returned, he will announce the final amount.

Jim reported that we received a National Drug Court Planning and Training Grant. A team will be here for three days in April. At the latter part of 2014, the entire group will be invited to go to a mentor course somewhere in the United States to observe a drug court in operation, at the complete expense of the Federal Government.

Allen Brey and Jim Morrison will be attending the State Convention of Drug Court in LaCrosse in April.

Ellen reported that the official press release will come out January 28 from the Attorney General's Office.

The meeting on January 24 with John Nygren and Ray Luick will be to determine how to make sure we get every possible penny out of the grant to use them the way we need to use them. Once it is known how many people will be attendance, a location will be determined.

**9.** Suboxone Treatment Center, discussion – Robin Elsner  
Robin reported that the clinic has been in contact with State Reps to develop a component as part of the clinic. Dr. Powers is looking at becoming certified. The concern is ongoing treatment with no maintenance for people on it for years on end.

Rob Valentine met with providers in the area recently and discussed the outcome of those meetings.

**10.** Discussion of the role of CJCC in the Drug Court and TAD systems, action if any  
a. Change in focus of committee  
b. Change in monthly agenda

Judge Morrison reported that the counties that have successful TAD and Drug Court programs have some sort of justice coordinating council. We are ahead of the game in that regard. Those counsels focus on the TAD and drug courts. We may need to meet longer and have a lot to do in the next few months to make this work.

Judge Morrison will provide information at the next meeting as to how other counsels handle their programs.

**11.** Day reporting center update, discussion only  
Bobbi Christopherson reported that if the request to Madison has not been requested, it will be soon. Hoping to have the program up and running in April.

**12.** Identify future items to be placed on agenda  
Report on the January 24 TAD meeting  
Report on the January 28 Attorney General's announcement  
Change in the role of the CJCC, possible sub committee

February 21, 2014 at 8:00 am.
