From: Pete Villas, Forestry Administrator

Subject: ATV Trail Closure

The entire Marinette County ATV Trail System will be closed to all vehicles effective Monday, March 16, 2020 and until further notice. This closure is required to protect the soft trail bed from erosion damage caused by ATV's and other vehicles during spring break up. ATV trails will re-open when conditions warrant. Another press release will be placed in the paper when the trails are re-opened.
